SUMMARY

Frontend-focused Full Stack Software Engineer with 1+ year of experience building scalable, high-performance web applications using React, Next.js, and TypeScript. Proficient in developing responsive, pixel-perfect user interfaces with Tailwind CSS and managing complex application state using Redux and Context API. Experienced in REST API integration, performance optimization, and delivering seamless, user-centric experiences.

SKILLS

Frontend: React.js, Vue.js, Next.js, JavaScript, TypeScript, Tailwind CSS, Redux, Context API.

Backend: Node.js, Express.js, REST APIs, WebSocket.

Databases: MongoDB, MySQL, Firebase.

Tools: Git, GitHub, Postman, Vercel, Render, Linux, VPS.

UI/UX: Responsive Design, Pixel-perfect UI, Cross-browser compatibility.

Learning: Zustand, Docker, Go.

EDUCATION

M.Sc. in Computer Science

Jahangirnagar University, Dhaka, Bangladesh

CGPA: 3.75 Out of 4.00 (1st Semester)

Jan 2026 – Ongoing

B.Sc. in Computer Science and Engineering

Bangladesh University of Business and Technology (BUBT)

CGPA: 3.34 out of 4.00

Feb 2020 – Dec 2023

Higher Secondary Certificate (HSC)

Bogura Cantonment Public School and College

GPA: 4.50 out of 5.00

Group: Science

Batch 2019

Secondary School Certificate (SSC)

Mohadevpur Sarba Mongala (Pilot) High School

GPA: 5.00 out of 5.00

Group: Science

Batch 2017

EXPERIENCE

Frontend Engineer

SM Technology | April 2025 – Present

- Built reusable React UI components to improve development efficiency and maintain consistent, pixel-perfect UI across applications.
- Integrated RESTful APIs and optimized data fetching, improving application performance and scalability.
- Improved application performance by 25% through API optimization and efficient state management.
- Contributed to frontend system design decisions and improved development workflows through clear technical documentation.

Junior Developer (Remote)

Trodev | Feb 2024 – May 2024

- Developed responsive UI using React, HTML, CSS, and JavaScript.
- Fixed bugs and improved application usability and performance through efficient debugging and optimization.
- Followed clean coding practices and maintained readable codebases.

Intern – Software Quality Testing

Bangladesh Computer Council (BCC) | Mar 2024 – Apr 2024

- Performed manual testing and identified system issues.
- Worked with QA team to improve software quality and reliability.

PROJECTS

DIMCPrep Exam Platform

[Link](#)

- Developed responsive and pixel-perfect frontend using Next.js and Tailwind CSS.
- Built SEO-optimized user interfaces improving performance and user experience.
- Implemented dynamic quiz system with real-time feedback.
- Integrated Firebase authentication and RESTful APIs for secure user management.

Technologies: Next.js, TypeScript, Tailwind CSS, Ant Design, Redux.

Petcare Booking Platform

[Live](#) | [GitHub](#)

- Developed a comprehensive full-stack pet training booking platform using Next.js, Node.js, TypeScript, and Prisma ORM with MongoDB.
- Implemented secure authentication with OTP and role-based access control using JWT.
- Developed a client portal for session bookings, pet profile management.
- Engineered an admin dashboard with CRUD operations, automated PDF invoicing, and Recharts analytics.
- Designed a robust REST API featuring automated background scheduling.
- Deployed the application on a VPS server and managed production environment

Technologies: Next.js, TypeScript, React, Redux, Node.js, Express.js, MongoDB, Prisma, VPS.

Healthcare Staffing Dashboard

[Live](#) | [GitHub](#)

- Implemented secure role-based authentication and authorization using JWT.
- Built a dual-dashboard system for managing healthcare facilities and medical providers.
- Integrated Stripe payment gateway for seamless processing of staffing transactions.
- Implemented complex data validation and multi-step forms using React Hook Form and Zod.
- Managed robust client-side state and data persistence using Redux Toolkit.

Technologies: React.js, Next.js, Node.js, Express.js, MongoDB, Prisma, Tailwind CSS, Redux.

ACTIVITIES

- Event Coordinator & Volunteer Lead — ICPC Asia Dhaka Regional 2023 (BUBT)
- Volunteer Leader — National IT Event (BCC, Feb 2023)

LEADERSHIP

- President — BUBT IT Club (Aug 2023 – Feb 2024)
- Joint Secretary — BUBT IT Club (Dec 2022 - Aug 2023)
